

AMBITION range solution

FOLDED

- Available folded on 2 or on 4 sides
- Suited to both vertical and horizontal layouts
- The version folded on 2 sides can be adjusted and modules bolted on site
- **Delivered flat** in the case of aluminium composites
- The version folded on 4 sides is particularly recommended for frontal fixture in **coastal areas**
- Folding removes sharp edges in areas which might be accessible

The CAPELLA® solution complies with the requirements of the CSTB (code of practice for building works / technical approval) depending on the material used and the type of substrate.

AMBITION range solution

- 1 Substrate
- 2 Insulation
- 3 Right angle fixing bracket
- 4 Secondary substructure
- 5 Metal or composite cladding
